The United Mounted Peace

Officers of Texas

**Train with the State Mounted Peace Officers
Who do the Bomb Proof training for the
Mounted Police Officers, Deputies, Posses, &
Search & Rescue teams**

Also sponsored by the Sheriffs Association Texas,
The Bowie County Mounted Unit, and the Hiding
Place Ranch.

Can your horse ride over obstacles with only a neck rope?

Would you like to learn desensitization that works, for the street or the trail? Then you need to be in this class.

Trainers include The Head of Bowie County Sheriff's Mounted Patrol Unit, a Dressage trainer & the founder & Head Trainer for The United Mounted Peace Officers of Texas. Classroom time, training on eight thousand pounds of law enforcement equipment and techniques that arena trainers don't even know about. We teach horses to walk through sirens, lights, bombs and riots. Turn your trail/show horse into a solid and quiet partner. Learn how to teach your horse what the Mounted Police Departments' secrets are to training.
